[Reference: G 04/015]

This is a Community Message from the High Wycombe watch office on Tuesday 12th April 2011, on behalf of Geoff Pegg, Chairman of Wycombe District Neighbourhood Watch Association.

You are invited and encouraged to attend the Annual General Meeting of Wycombe District Neighbourhood Watch Association (the Association) which will be held at St.Birinus & St Johns Church (in the church and not the adjacent hall) on the corner of Sycamore Road and Cressex Road, Booker, on Wednesday, 18<sup>th</sup> May, starting at 7.30PM. There is plenty of room to park in Sycamore Road and in the church car park. For those of you using SatNavs, the postcode for the venue is HP12 4TJ.

Following the official business of the AGM (which will not take long!), we are delighted to have three prominent guest speakers, subject to final confirmation:

- Steve Baker MP (for the Wycombe constituency)
- Chief Inspector Colin Seaton, the Deputy Commander of the Wycombe Local Police Area.
- Inspector Colin Clark of Thames Valley Police's Roads Policing Operation Command

This invitation is to all Co-ordinators and scheme members, but only one member from each scheme is entitled to vote. A member of the Association is each scheme within the Wycombe District Council territory (which is the same as the Wycombe Local Police Area), but excluding the Princes Risborough Police Sector where there is a separate Association.

If you would like to receive copies of the papers before the meeting, which will include the agenda, minutes of the last AGM, the accounts and profiles of the committee members, please send a self-addressed envelope (C5 size or larger) to:

Wycombe District Neighbourhood Watch Association,  
C/O Community Impact Bucks,  
11 Priory Road,  
High Wycombe,  
Bucks.  
HP13 6SL.  
Phone;- 01494 523440

These documents will also be made available at the AGM. Please submit any nominations for officers or committee members and any points you may wish to have included in Any Other Business 14 days before the meeting – i.e. by 4<sup>th</sup> May 2011 – to the Association as above.

Do please try to attend this meeting and encourage others to do so as well, as once the formalities are over, we are sure you will find our speakers to be both interesting and informative. Furthermore, your support by attending will give all the more encouragement to the committee in its work to develop and enhance Neighbourhood Watch across the district.
