**(Design plans will also be available to view for clients and their carers at the Council Day Centres between 19 and 30 September)**

Do you or does someone you know go to a Day Centre in Buckinghamshire?

Buckinghamshire County Council has an exciting programme for the future of Day Services and invites you to look at the designs for their brand new Day Opportunities Centres across the county.

Our architects will be on hand to explain the designs, answer your queries and invite your comments.
