

Welcome to the 29th newsletter from the
HUGHENDEN PARISH NAG.

The Neighbourhood priorities have been set following the completion
of the Consultation period, they are:-

1) SPEEDING. 2) LITTER. 3) ANTI-SOCIAL BEHAVIOUR

Hughenden Neighbourhood. May 2012

Hello from the **Hughenden**, Hazlemere & Chepping Wycombe Neighbourhood Police Team (HNPT) and welcome to this edition of the Newsletter for the **HUGHENDEN PARISH.**

If you need to contact the Neighbourhood Team then please dial Thames Valley Police on the non-emergency number, **101**, and ask the police operator to put you through to the Hazlemere Police Office or e-mail us.

The team would also love to hear from the community regarding any positive or negative feedback that you may have or any issues or concerns you wish to raise.

SPEEDING:

The following May dates have been booked;

Great Kingshill;	Morning of 08 th May 2012
Naphill;	Morning of 11 th May 2012
Hughenden Valley;	Afternoon of 21 st May 2012
Widmer End;	Afternoon of 22 nd May 2012

The locations and times are yet to be established but each ward will have at least 1 SID deployment over the period. If you are interested in seeing how the device works or are interested in becoming involved in the process, please contact Daton Beckford or Lee Turnham at the above address or e-mail. We will then be able to inform you of the location and time that is appropriate to your ward.

April Results	Naphill;	not attended at time of going to press.
	Hughenden Valley;	22 in excess of threshold.
	Great Kingshill;	cancelled due to weather.
	Widmer End;	cancelled due to weather.
		1x SID (5/4/12) average speed 27mph

The registered keepers of the vehicles will receive letters under the Community Speed Watch Scheme.

Please bear in mind that persons who receive Speed Watch letters are NOT given the speed that initiated the letter. There is a threshold which is strictly adhered to. When the device is activated the initial speed is that recorded by the operators and not the speed as the vehicle passes the device. The speed captured is that of at least 70 metres prior to the device.
