Coronavirus – Help and Chat Group

This is a potentially worrying time for us all, and so we at St Michael's wish to contribute to the support of our local community. We have a group of some 30 people who would love to chat with anyone in our parish who may need some company, a shoulder to cry on, or perhaps discuss worries or concerns about loved ones or themselves.

All our volunteers will be discreet, and our coordinator will always match you with someone who will be a sympathetic listener, and may well be experiencing similar concerns to you.

We are here for the whole community, whether you are a person of faith or not.

We would also happily pray with you about any issues you might raise, but only if you request this yourself.

if you do have another problem where you need some help or advice we will try and signpost you to the right assistance.

Please do pass on this number to your friends and neighbours!
