

HVRA-we need a new leader

Do you care?

Do you care about the speed of traffic going through our villages?

Do you care about the litter?

Do you care about the old folks and the future of young people in the Valley?

Do you care about the state of our roads?

Do you care about the quality and quantity of extensions and new builds?

Do you care about the environment: the trees; orchards and green spaces?

In short do you care about the Valley continuing to be a great place to live?

Over the years and indeed at the moment there have been excellent people volunteering as the Chair/Co-Chair of Hughenden Valley Residents Association. However the time has come for a fresh face to fill the post as our current co-chairs retire.

The ideal candidate needs:-

- to have lived in the village for at least 6 months and can remember what life was like before the Covid-19 Crisis.
- be able to conduct brisk business-like meetings; to share information and inspire action
- be able to commit to two years and then safely hand over the baton
- be aware of the merits and demerits of social media and use it as a force for good
- be able to listen to gauge the views of the majority of residents and work for the benefit of the majority and give a voice to the minority
- be self- confident and able to instigate events to entertain and to promote an even better community

Time is very, very short we need to hear from you as soon as possible

If this is you or you know of someone who fits the bill then phone
